

# ***COLES-MOULTRIE ELECTRIC COOPERATIVE WATER HEATER PROGRAM***

Name: \_\_\_\_\_

Service Address: \_\_\_\_\_

Phone #: \_\_\_\_\_

I understand that I will be eligible for a \$100.00 rebate after a CMEC load management switch is installed and has been inspected on my water heater. I must provide an itemized sales receipt/invoice with this completed form. During peak usage periods, CMEC has my permission to control the power to my water heater. The water heater must be a minimum of 40 gallons.
